Approved 4/30/62

MEMORANDUM FOR THE ASSISTANT CHIEF OF STAFF FOR
INTELLIGENCE, DEPARTMENT OF THE ARMYSUBJECT: The Watch Committee, USIB, and the National
Indications Center

1. As you will recall, it was agreed at the Intelligence Board meeting on 4 April that the memorandum regarding the Watch Committee--National Indications Center which you and members of your study committee had originally drafted for the DCI's signature would instead be addressed for the record to the DCI over your signature, subject, however, to re-casting of the introductory paragraph, as you suggested, and any other necessary editorial adjustments.
2. Pursuant to that Board action, the Secretariat has prepared the attached revised memorandum incorporating these changes and submits a copy herewith for your review and approval.
3. It would be appreciated if you will arrange for us to be advised at your earliest convenience of your concurrence in this revised memorandum or instruct us as to further changes which you and members of your committee wish to have included in the paper in its final form.
